

Newtec Windows and Doors can save you money on your energy bills and may qualify you credit on your federal income tax. Up to 10% can be claimed if you purchase qualified windows and doors.

On December 17, 2010, President Barack Obama signed into law the Tax Relief, Unemployment Insurance Reauthorization, and Job Creation Act of 2010. Under this law, homeowners may claim a tax credit for the purchase of energy-efficient windows and doors.

To be eligible for the tax credits, windows and doors must achieve:

- Windows** (Northern Climate Zone): **U-factor** ≤ 0.30 , or $= 0.31$ ($SHGC \geq 0.35$), or $= 0.32$ ($SHGC \geq 0.40$)
- Doors** ($>1/2$ Lite): **U-Factor** ≤ 0.32 and **SHGC** ≤ 0.30

Newtec proudly presents the following products that meet or exceed R-5 / Energy Star requirements, and qualify you for the Energy Tax Credit.
